### IMPORTANT NOTICE TO IMPULSE CUSTOMERS REGARDING TRANSFER OF TELEPHONE SERVICE(S) FROM IMPULSE TO EMBARQ

Dear Customer:

Your current local telephone service provider, Impulse Telecom Corporation ("Impulse"), is exiting the local telephone business. To avoid any interruption of your services, Impulse has arranged to transfer your services to EMBARQ.

**Customers who currently receive local phone services from Impulse will begin receiving those services from EMBARQ starting June 5, 2008.** During the transition to EMBARQ, you should not experience any interruption in service and you will not be charged a carrier change fee to transfer your services.

If you have long distance services with Impulse, those services will also transfer to EMBARQ. If you use a different long distance carrier, your long distance service will not change.

Upon transferring to EMBARQ, your telephone numbers will not change, and your current services and features will remain the same as what you have at Impulse. If you have a package of services with Impulse, we will provide the EMBARQ™ package that is most comparable to your existing Impulse package. Consistent with federal rules, EMBARQ is providing this notice 30 days prior to your services being transferred. If you take no action, your services will be transferred to EMBARQ automatically. If you do not want to receive services from EMBARQ, you have the right to select another local or long distance carrier either before or after the transfer. Information about local and long distance carrier options is listed in the information pages of the EMBARQ™ telephone directory.

EMBARQ offers competitive rates, bundle discounts and a variety of services. Rates for some of our most popular calling features are listed below. For more information on local and long distance services and to review the terms and conditions that will apply if you leave your local service with EMBARQ, please visit [www.embarq.com/ratesandconditions](http://www.embarq.com/ratesandconditions). For specific information on EMBARQ™ Long Distance services, please visit [www.embarq.com/residential/voice/longdistanceplans](http://www.embarq.com/residential/voice/longdistanceplans). Or, you can call EMBARQ™ Customer Service. Remember, if you don't select a specific EMBARQ™ service, you will continue to have the same services and features you currently receive from Impulse, or the EMBARQ™ package of services that is most comparable to your Impulse package.

For most customers, current EMBARQ™ rates will be lower than they experienced with Impulse. If you had a local or long distance service freeze on your Impulse account (which otherwise prevents change of carrier without your express authorization), it will be lifted during the transition. However, if you wish to continue a freeze, you will need to request a new freeze from EMBARQ after your service has been transferred.

If you have any questions regarding the transfer of your telephone services to EMBARQ, please feel free to contact us at 866-626-8159. Any questions or issues about your services or disputes with Impulse should be addressed to Impulse directly. You may reach the Impulse customer service department at 702-431-4000.

We appreciate the opportunity to be your local service provider.

Sincerely,

Dane Folster
